Group Name	Comments
Rape Crisis North East	DundalkFM have always been very supportive of RCNE work of which we are very grateful. It is an excellent service and has really helped in raising awareness of our service
The Marshes ICA	We believe that Dundalk FM 100 is a great asset to our local community and we would appreciate being part of its success
Dundalk Outcomers	Dundak FM is a very valuable and beneficial part of the Community Infrastructure of Dundalk and is under utilised if it has the capacity to bring the real lives of people into the main in a positive way.
Redeemer Boys School	Keep up the good work. Local Station is a valuable community asset.
Felda Health Fitness and Spa	I've found the staff at Dundalk FM to be excellent. The facilities seem to be in good order and well maintained. Its always been a pleasure to work with Dundalk FM
Rockfield Residents Association	Radio programme on estates/students/college/gardai all working and living together might be good.
SOSAD	This is an excellent idea and Paddy's suggestion for a regular slot for SOSAD and the awareness of suicide is a great idea
Suil na Mara Residents Association	As a residents association we don't have call to use the services of the radio station
Dundalk Joggers and Walkers	An event like the Mini Marathon is very important from a fund raising point of view. Also encouraging women to get fit which will stand to them regarding their emotional and physical needs which will be to their benefit
Ardee Wheelchair Club	Maybe help some clubs however big or small get their message out there by giving them some air time
St Josephs Redemptorist Choir	We are always seeking new members - particularly male voices
Arts Office	Keep up the good work.
St Peters Athletic Club	The club is based in Dromiskin but members also come from other parts of Co Louth. We currently have members from Ravensdale to Collon including some from Dundalk. Unfortunately reception of Dundalk is not very good in Dromiskin and outside town.
St Gerard's Senior Citizens Club	Good luck Dundalk FM. Our committee listens to your station and our members play requests and listen to Sunday mass which is good to listen to.
Redeemer Development.	I think having a local radio station is a bonus to any area. It gives local people the opportunity to participate and have a say on what is relevant to them.

Cooley Environmental and Health Group	Thanks for your help to date
Dundalk Simon Community	We need to find a way of integrating media work into our day-to-day work. A conversation and guidance on how would be very helpful
St Brides GFC	We would avail of Dundalk FM to highlight fundraising events. Broadcast weekly club lotto results
St Malachys	We had more contact 3 or 4 years ago
The Nestling Project	We have had a very positive experience when interacting with Dundalk FM. Many older people have contacted the project having heard the community notices. The interview for Positive Ageing week generated huge interest and a great turnout at the Fairways.
St Josephs NS	Dundalk FM is a critical community conduit - and could be instrumental in leading change (i.e. Anti-Heroin Campaign)
4Word Project	Our programme used Dundalk FM for a media awareness class which gave the learners an opportunity to learn how to make a radio show. One of our trainees did work experience for 4 wks in DundalkFM and she really enjoyed it.
The Birches Alzheimer Day Care Centre	The North Louth Branch ASI and all in the Birches are most grateful for the tremendous support we have received from you over the years and the friendly atmosphere and welcome we always experience when we visit for interviews etc.
Armagh Diocesan Pastoral Centre	Proper use of Dundalk FM by the Pastoral Centre would provide the wider community with information re programmes that might be useful to them
Dundalk Photographic Society	We would like to thank Dundalk Fm for their support and help in the past. We wish you continued success going forward.
Naomh Moninne	Interviews at times when we were doing interesting things like Championship Final and 50 Year Dance
