Award Category: Irish Language Seachtain na Gaeilge – March/April 2010 presented by Francie Duffy, Seamus Crosson and Tim Mullens
Clár an-deas, taitneamhach, nádúrtha le glórtha na ndaoine féin seachas aon cur i gcéill rud a chuir beocht sa chlár agus a chiallaíonn go raibh sé in oirúint don lucht éisteachta. Seó bréa sollúnta, so-thuigthe ach déanta go maith. Meascán maith idir Bhéarla agus Gaeilge, blas an-phearsanta air, le moladh.

Award Category: Social Benefit: Ability Focus presented by Christina O'Boyle and Linda Hamill, Tuesdays at 9pm repeated on Saturdays at 9am.
Great preparation and research was carried out to make this programme and had a great mix of information and personal experiences. High quality production.
